HEADLINE: Notification of Marina Closings

Effective 8:00 a.m. today, the City of Elizabeth City had closed the Mariners' Wharf and Waterfront Park marinas indefinitely. No vessel of any kind shall be allowed to dock or stay at either of the locations until further notice. The closure of the marinas is directly related to the ongoing State of Emergency issued by Mayor Parker on March 17, 2020. Police Chief Eddie Buffaloe, Jr. will continue to serve as Harbormaster.

Further information regarding cancellations and closings will be forthcoming.

For more information, contact City of Elizabeth City, City Manager Rich Olson at 252-337-6864.
